TENOR SOLOIST ON MUSICAL PROGRAM AT CLUB MEET

Ralph Laughlin, Vocalist, Is
Enjoyed; Section Sessions
At Various Homes

A most enjoyable musical program was the treat afforded the members of the Tuesday Afternoon Club at its regular meeting yesterday afternoon at Masonic temple, at which Ralph Laughlin, vocalist, appeared, with Mrs. Laughlin as accompanist.

Mr. Laughlin is considered by many music critics as a tenor soloist of great ability. The ease and grace with which he rendered the various numbers of the program proved him to be a master of his voice, club members declared. Especially pleasing were his precision of note and tonal qualities. Mr. Laughlin has not only studied with eminent teachers of this country, but has acquainted himself with the course of study as taught by the great teachers of the world over.

Section Announcements

In the absence of the president, Mrs. C. E. Hutchinson, who has been ill for several weeks, the meeting was in charge of Mrs. Mabel Franklin Ocker, second vice president.

Announcement was made by Mrs. S. Houdyshell of a benefit entertainment to be given by the W. R. C. and G. A. R. Mrs. W. L. Andrews, general manager, made the following section announcements.

Parliamentary law meets Tuesday at the home of Mrs. C. A. Brandstater, 401 West Wilson avenue; drama, Friday, at the home of Mrs. Charles Meadows of 721 North Brand boulevard; Shakespeare section, Monday, at the home of Mrs. Homer Lockwood of 725 North Louise street.

The next meeting of the club, which will be held at Masonic Temple on March 7, will be an open forum, at which time a lecture on "Better Americanism, or the Constitution of the United States," will be given by Harry F. Atwood, who is a lawyer, writer and social speaker of Chicago. He is the author of "Back to the Republic," "Safeguarding American Ideals" and other books, and his lecture is being looked forward to with interest.

Complete Program

Mrs. Ocker, as chairman of the meeting, introduced Mr. and Mrs. Laughlin, who presented the following interesting program:

Tenor solos: "Nirvana" (Adams), Nirvana meaning to the Hindu the word heaven; "Sweetheart in Thy Dreaming" (Cadmian); "Three Contrasts" (Hermann); piano solo, "Rhapsody D'Auvergne" (Saint Saens); by Mrs. Laughlin; vocal numbers, "At Sunset" from the cantata "The Brown Heather" (Bush); "Little Mother" (Chadwick); "Thou Art So Like a Flower" (Chadwick); "Israfel" (King); "Shadows" (Harkness); "Orpheus With His Lute" (Sullivan); "Sigh No More Ladies" (Gretchen); and "Friend of Mine" (W. Anderson).

Juniors Defeat Seniors In Continued Battle

The most spirited and exciting basketball game of the season was played off Tuesday at the high school, by the Senior-Junior teams. This was an extra game in response to a challenge from the Juniors, after the Seniors had won the championship of the inter-class schedule, without losing a game. So close was this contest that at the end of the game the score stood 12 to 12. By mutual consent they played an extra five minutes, bringing the tie score up to 14 to 14. By a last skillful toss the Juniors made one more basket, finishing with 16.

Girls on the Junior team were Orrel Hester, captain, and jumping center; Doris Moyse, running center; Elnora Truitt, and Mildred Thompson, guards; Edith Bush and Marian Grey, Ruth Hunt substituted for a time for Doris Moyse. The Seniors were represented by Lucile Nelson, captain; forwards, Lila Drake, Lucy Strother; jumping center, Allie Black, running center, Louise White, with Vera Hayward, substitute; guards, Lucile Nelson and Dorothy Cotton.

The girls at high school, will begin practice for baseball in about two weeks and are planning to come out for track later in the season.

E. E. HARWOOD IS ILL

E. E. Harwood of 208 East Cypress avenue is confined at his home with a severe case of grip. Mr. Harwood, who was formerly principal of this city and who is now superintendent of schools of Eagle Rock, expects to be able to return to his duties in the neighboring city during the next few days.

It sweeps the dirt and papers from West Broadway around the corner into South Orange street and lets the refuse stay there until a cart load or more accumulates.

Perhaps this is due to the economic night's session by the city, but we'll bet if Councilman Sam Davis knew about it the rubbish wouldn't be piled in Orange street.

Not so long as he resides at Orange and Colorado boulevard.

SCHOOL TRUSTEES WILL BE CHOSEN

Union High Board Election Will
Be Held on March 18;
Two Terms Expire

Noise of the election to be held on March 18 for the selection of two members of the high school board of trustees was posted this morning at the high school entrance by Irving H. Oliver, clerk of the board.

The two members whose terms expire are Mrs. Blanche K. Gardner of Eagle Rock and H. W. Yarik of 347 West Wilson avenue.

Last night's session of the board was attended by Dr. Harry V. Brown, 144 North Orange street; T. D. Watson, 526 North Central avenue, and W. H. Yarik.

Neither Mr. Yarik nor Mrs. Gardner have announced yet whether they will be candidates for re-election.

Mr. Yarik is filling the unexpired term of Claude Pulliam.

C. E. Peck Back From Long Visit in South

C. E. Peck of 114 South Louise street has returned from a three months' trip to Shreveport, Louisiana, where he has been completing contracts for part of the machinery in equipping the new \$8,000,000 plant of the United States Sheet & Window Glass Co. This new plant has thirty-six acres of ground, the floor space covering ten acres. This company will make glass by a new process which draws the sheet directly from the melting tank already flattened, passing out a continuous sheet six to seven feet wide and at the rate of five feet a minute. Mr. Peck states that the company is planning to use six of these machines to start with. A warehouse of this firm will be located in Los Angeles.

Mr. Peck's son, P. T. Peck, is superintendent of construction and has been employing 700 men almost continuously since last July in the building of the new plant. The weather there, Mr. Peck states, has been almost the same as in California. In commenting on the labor question he says that the wage scale is much lower there, especially for common labor.

William H. Hooper Home From Auto Trip

California boulevards are the best in the world, according to William H. Hooper, proprietor of the filling station and accessory store at 222 East Broadway, who recently returned with his wife from a motor trip by the valley route to Sacramento.

"We went exactly a thousand miles," declared Mr. Hooper. "Out of that distance there wasn't five miles of poor roads."

Mr. Hooper reports that the central part of the state looks particularly prosperous, but says that none of the towns passed through, including Stockton and Fresno, seemed to have as much building activity as Glendale.

They also attended the automobile show in San Francisco.

Eugene Wilson Family Comes to City Again

Mr. and Mrs. Eugene Wilson and three children, Grinade, Alvin, and Olinda, arrived unexpectedly Monday night and are stopping temporarily at the home of Mrs. Wilson's mother, Mrs. Emma L. Wood, 320 West Broadway. The Wilsons sold their home in Glendale several months ago, and went to Oakland, where they purchased a home with the intention of remaining permanently. Their many friends will be happy to know that they have sold the Oakland home and returned to Glendale with plans to make this their home. Grinade registered Tuesday morning at the Intermediate school.

L. A. CITY COUNCIL WILLING TO HELP SEWER INQUIRY

Frank H. Olmsted Tells of
Change of Viewpoint by
Municipal Officials

Los Angeles city council indicates a willingness to deal with the sewer problem presented by Glendale and other outlying communities which would be a part of a sanitary district such as suggested in the columns of The Glendale Evening News some time ago.

This was the news furnished today by Frank H. Olmsted, well known sanitary engineer who has retired to his ranch at 1431 North Pacific avenue and is more or less informally interested in Glendale's sewer problem.

Mr. Olmsted was talking yesterday with W. B. Mathews, special counsel for the city of Los Angeles, who told him that since the recent regional planning conference at Pasadena he had conferred with Los Angeles officials with respect to a joint program for an outfall sewer serving outlying communities without political annexation.

Council Seems Willing

Mr. Mathews added that he and Engineer William Mulholland had succeeded in bringing the council over to thinking that it should be allowed and that something might be consummated if the formation of a sanitary district was pushed.

The latter idea has been presented to Supervisor Henry W. Wright and there is every reason to believe that Glendale's committee on the solution of the sewer problem could be instrumental in settling the question on foot. Of course, it will take months—and maybe years—to finally accomplish such a scheme, but Assemblyman John Robert White stands ready to introduce legislation that will make such a plan feasible.

May Take Advantage

In years past Pasadena, South Pasadena, Alhambra and other municipalities to the east of Los Angeles were ready to proceed along these lines, but were blocked by the short-sighted policy of the metropolis which insisted upon annexation.

Now that the barrier may be let down, there is every reason to hope Glendale, Burbank and Eagle Rock will take advantage of the natural gravity flow afforded by the Los Angeles river channel and run their mains into a new and greater outfall that will entail the sludge system.

Mrs. Peter J. Erickson Has Birthday Luncheon

A very delightful surprise luncheon party was given this afternoon at the home of Mrs. Peter J. Erickson, 3723 Revere avenue, by a group of her friends in celebration of her birthday anniversary. The guests included Mrs. David H. Anderson, Mrs. Edward Bowler, Mrs. A. Myer, Mrs. E. Brodine, Mrs. William H. Davies and Mrs. C. A. Stromberg of Inglewood. Decorations of acacia blossoms were used throughout the house. Following a delicious luncheon the afternoon was spent in "listening in" on a radioconcert by Victor Herbert from Los Angeles.

Local Pastors Urged To Aid Relief Work

Co-operation of Glendale pastors in the annual campaign for the relief of Christian orphans in Palestine, Turkey and Armenia was enlisted today by Rev. E. Guy Talbot of Pasadena, Pacific Coast Regional Director of Near East Relief, who directed the Ministerial Association in regular monthly meeting at the First Presbyterian church this morning.

Hundreds of local friends of the cause have promised their usual substantial contribution as soon as the campaign is launched, according to Rev. R. W. Mottern, an active worker here for the relief.

COLORADO P. T. A. MEETING

At the regular meeting of the Colorado street Parent-Teacher association, which will be held at the school tomorrow afternoon at 3:15 o'clock in charge of the president, Mrs. E. S. McKee, a program of reading and recitation will be given by Miss Aileen Simmons, Mrs. Kate Vaughn of Los Angeles will also be present and will speak on home economics. Mrs. McKee has announced that small children will be taken care of during the meeting.

VISIT HERE FROM EAST

Mrs. Gertrude Gensimore and her aunt, Mrs. Salome Ott, both of Bedford, Pa., were recent guests at the home of Mrs. Adelaide H. Imler of 336 West Park avenue. Mrs. Gensimore and Mrs. Ott are spending the winter months with friends in Los Angeles.

MRS. E. O. BURCH VISITOR

Mrs. Emmons O. Burch of Fillmore spent the past week end in this city visiting with her uncle and aunt, Mr. and Mrs. S. A. Ayers of 1121 South Central avenue. Mrs. Burch is well known in Glendale, she having formerly resided here.

WOULD POPULARIZE RIVERDALE DRIVE BY EXTENSIONS

Propose to Open Highway and
Divert Much Auto Traffic;
Glendale Would Aid

Riverdale Drive—Thoughts of New York, or Glendale's own beautiful, but much shorter, residential street, immediately come to mind.

Los Angeles has its plans for Riverdale Drive and so has Glendale. Los Feliz Road, a rather aimless sort of a highway in Los Angeles, wanders around the foothills which guide the river to the sea, and, outside of a hospital for girls and a by-way to Griffith park, it boasts of little.

The scheme worked out by C. Gordon Whitnall of the metropolitan planning commission and the Los Angeles engineers is to open this highway from Eagle Rock and continue it on through Griffith park, paralleling San Fernando Road, and bringing the two arteries of traffic to a junction somewhere north of Burbank.

Travel To Be Diverted

Naturally, this will mean the diversion of much tourist travel, according to Peter L. Ferry, a director of the Chamber of Commerce and local road builder. What he believes Glendale should now do is to be fore-sighted enough to push a road across the Los Angeles river directly into the heart of Griffith park.

George E. Bentley, John G. Huntley, D. L. Gregg and Lloyd H. Wilson accompanied him yesterday on an inspection trip of Glendale's own park at Kenilworth and Patterson avenues and they then and there decided it would be much better for Glendale to make use of the natural beautyspot afforded by Los Angeles, insofar as a show place for visitors was concerned.

Co-operation Necessary

That brought up the question as to how easy access could be gained. Los Feliz Road or Vine avenue bridges are out of the way, but it was thought that, in view of Los Angeles planning a Riverdale Drive, Glendale could well afford to extend its street of the same name, provided the co-operation of the Southern Pacific and city of Los Angeles is obtained.

This is one of the questions which will be discussed tomorrow night at the Chamber of Commerce forum meeting, it is confidently expected.

Daughters of Veterans Card Party Is Success

The members of Mary Jane Gillette Tent No. 18, Daughters of Veterans, of which Mrs. Susie Peck is president, held a most successful meeting and card party last night in American Legion hall. After a short business meeting "500" was enjoyed. The first prize for the women, a \$6 pair of hose, given by Hatz's shop, was awarded to Mrs. Frank Booth, and consolation prize, a pretty hair ornament, to Mrs. Jack Hammond. The first men's prize was a \$5 shirt donated by Robinson's Men's Shop, and was awarded to Dr. Paul D. Fridd, and consolation prize, a memorandum book, to Harry Flower.

Delicious refreshments of sandwiches and coffee were served, after which dancing was enjoyed until midnight. Miss Dorothy Danner presided at the piano. Mrs. Queen Danner was in charge of the evening's entertainment and Mrs. Cora Jones had charge of the card tables.

Ennis Olmsted Injures His Leg at Athletics

Ennis Olmsted of 364 West California street, who suffered an injury to his leg during athletic practice at the Intermediate school, was found to have a fracture, when an x-ray was used on the injured member. It is fortunately a small fracture, and with his leg in a plaster cast, he is back in school. But it is going to be a handicap to his class, as he is track captain of A-7-III class, and one of the coming athletes, and was making good in the high jump.

C. E. NAMES OFFICERS

The Christian Endeavor Society of the Tropic Presbyterian church met last night for a short business session and elected the following officers: John Server, 1635 Gardena avenue, president; Herbert Bruk, 1241 South Orange street, vice-president; Miss Sara Fay Snell, 116 East Euclavia avenue, secretary; Miss Gertrude Ashton 322 El Bonita street, treasurer.

W. B. KELLY GOES EAST

W. B. Kelly of the realty firm of Kelly & Van Arsdol at 106 West Colorado street, left Sunday for Galesburg, Illinois, where he was called by the illness of his mother. Mr. Kelly expects to return in about two weeks.

COUNTY CLERK ARRESTED ON EMBEZZLEMENT CHARGE

INDIANAPOLIS, March 1.—Richard V. Sipe, Marion county clerk, was arrested today on a warrant charging embezzlement following discovery of a shortage of approximately \$140,000 in his accounts. The warrant charged specifically the embezzlement of \$5000. Bond was fixed at \$10,000 but Sipe declared he would not ask anyone to go on the bond.

FALL FAVORS \$150,000,000 PROJECT IN IMPERIAL VALLEY

WASHINGTON, March 1.—Immediate construction of \$150,000,000 irrigation project in the Imperial Valley of California was recommended to congress today by Secretary of the Interior Fall. The project, to be built on the Colorado river, would reclaim more than 2,500,000 acres of land as well as remove the menace of floods.

CLEVELAND BUILDING TRADES COUNCIL ON STRIKE

CLEVELAND, Ohio, March 1.—All members of the building trades council walked out today when employers posted notices reducing wages of their employees from 13 to 36 per cent, following a failure to agree upon a new scale. Contracts totalling upwards of \$20,000,000 in new construction are tied up, and additional lettings are halted pending an agreement upon a wage scale.

ATTEMPT IS MADE TO DELIVER FOOD BY AIRPLANE

TRAVERSE CITY, Mich., March 1.—Airplanes from Grand Rapids are being used here today in an attempt to carry food to surrounding districts cut off from all communication by the huge snow drifts and which are believed to be in danger of a serious food shortage. At Sutton's Bay, the reservation Indians are eating their dogs. Settlers nearby are subsisting on the flesh of cattle killed by the blizzard. Fears are expressed especially for communities near here reached only by small craft.

\$200,000 FIRE LOSS TO HOLLYWOOD INDUSTRIAL PLANTS

LOS ANGELES, March 1.—While firemen still played streams on the smouldering ruins of three large Hollywood industrial plants, at Highland avenue and Santa Monica boulevard, which were destroyed in a \$200,000 fire during the night, police officials today investigated a report that A. Ranney, a watchman, had been taken to a hospital suffering from serious burns after he had been rescued from the buildings by neighbors in the vicinity of the fire. The fire started when a kerosene stove exploded in a room of the window manufacturing plant in which Ranney was sleeping. Within a few minutes neighbors were awakened by the roar of the flames.

PLAN FINAL APPEAL WELL, THIS WRITER FOR BUS PERMIT IN LOS ANGELES SEEMS SATISFIED WITH OUTLOOK

Chamber of Commerce Selects Committee to Back Up
Glendale Authorities

Peter L. Ferry was appointed chairman of the Chamber of Commerce committee which tomorrow afternoon will accompany members of the city council and other officials to Los Angeles where Glendale will make its final appeal to the board of public utilities for a permit to operate a municipal bus line between here and the metropolis.

Other members of the committee include V. M. Hollister, president of the Chamber; James M. Rhoades, secretary; E. F. Sanders, assistant secretary; and Owen C. Emory, a director who has recently been appointed township judge.

To Back Up Expert

Attorney G. H. King, chairman of the railroad committee, will have members of his group and other members of the Chamber in attendance while Mayor Robinson will march with the city council and other city attorney and others to back the plea of C. D. Gulick, consulting traffic expert.

This formidable array will descend upon the Los Angeles board at 2 o'clock, according to schedule, and demand a showdown in the matter of the bus line permit. It is declared that the law is on the side of the city of Glendale in the matter and that all objection can be overcome.

To Join L. A. C. of C.

Among other business attended to by the Chamber directors at their luncheon yesterday afternoon, they agreed to take out a membership in the Los Angeles Chamber of Commerce—and invite their reciprocity.

The discussion of the swimming pool and parks took a large share of time and many informal views were expressed. L. H. Wilson pointing out that it might make a playground, but the cost of improving it for park purposes will cost three dollars to every dollar invested in a more favorable location, he believes. A letter on the subject of the swimming pool will be sent City Manager W. H. Reeves.

The appointment of a special committee on a school survey was ordered appointed to assist Superintendent Richardson D. White of the city schools and Principal George U. Moyse of the high school.

OFFERS FOR SCHOOL BUILDING EXCEED ESTIMATE MADE

Cost of New Intermediate to
Go Over \$35,000 More
Than First Figures Set

No decisive action was taken last night by the grammar school board of trustees because of the absence of Dr. P. O. Lucas, 358 Riverdale drive, and Mrs. Arthur Brown, 201 West Milford street. Members present were President D. J. Hibben, 123 East Laurel street; David Black, 1450 Kenneth road, and Mrs. A. A. Barton, 630 North Howard street. Bids for the new intermediate school were received, but were not acted upon. The estimated cost of this building was \$75,000. The lowest bid amounted to approximately \$110,000, about \$35,000 over the estimate.

There was some discussion on the subject and the fact was developed that, if the contract for this construction were let and work went forward as planned on the Acacia addition and new Grandview school, the building program of the grammar school system would come to an end at once for lack of further funds.

The cost of the Acacia addition will be \$23,973.50 and the cost of the Grandview school will be \$31,504.48.

The purchase of necessary real estate by the board has involved an expenditure of \$78,474, which is only \$4,474 above the estimation.

Would Use Up Money

If the intermediate school is added according to its present plan, about \$12,000 of the \$23,000 bond issue will remain. Mr. White stated that this sum would be wiped out in the purchase of equipment.

The meeting was attended also by E. H. Learned, 1453 Glenwood road, and F. E. Wilkinson, 1140 Stanley avenue, who were recently appointed to investigate the best methods of meeting the school building program with the finances on hand. During the evening the appointment of H. V. Henry, 353 Pioneer drive, was announced by Supt. Richardson D. White who was present. The other two members of this committee are: Oliver O. Clark, 346 North Louise street, and William C. Wattles, 1218 South Glendale avenue.

Figure \$8,000 Per Room

Mr. Wilkinson reported that he had been making inquiries and found that certain other nearby school districts figured an expense of between \$8,000 and \$9,000 a room for new schools. This was compared to the \$4,000 recently figured for Glendale.

The original building program includes a four-room addition to the Columbus school, a three-room addition to the Pacific school, a two room addition to Colorado school, a three-room addition to the Doran school, and a new two-room school for Verdugo Canyon.

Glendale Bidders

The principal local bidders for the intermediate contracts were The Rimmel Construction company, 133 South Brand boulevard; Roy L. Kent company, 130 South Brand boulevard; Coker and Taylor, 209 South Brand boulevard; Glendale Plumbing company, 134 South Orange street; Jewel Electric company, 200 East Broadway; L. A. Newton Electric company, 154 South Brand boulevard; Glendale Electric company, 132 North Brand boulevard; and the Southern California Gas company, 112 West Broadway.

Mr. and Mrs. Dibbern Are Hosts at Bunko

Mr. and Mrs. Arthur Dibbern of 612 North Orange street were host and hostess last night at a very delightful bunko party. The prizes included Mr. and Mrs. George P. Smith, Mr. and Mrs. W. S. Rattray, Mr. and Mrs. A. L. Baird, Dr. and Mrs. W. Moore, Mr. and Mrs. George Kapus, Mr. and Mrs. Warren Roberts, Mr. and Mrs. Walter Jones, Mr. and Mrs. W. ENTIRE STATE OF TEXAS IS IN GRASP OF COLD SPELL

DALLAS, Tex., March 1.—The coldest weather of the winter is being experienced throughout the entire state of Texas. Snow has fallen for several days in the Panhandle section and freezing weather is reported as far north as the Rio Grande valley and the Gulf of Mexico. Much suffering is reported from cattle raising sections and early vegetable and fruit crops will show great loss.

S. F. RUTTER IS CHOSEN NEW PROHIBITION DIRECTOR

WASHINGTON, March 1.—The appointment of S. F. Rutter to succeed E. F. Mitchell as prohibition director of the state of California, was announced today by Prohibition Commissioner Haynes. Rutter is now en route for San Francisco. He was formerly stationed at Philadelphia. Haynes conferred today with E. C. Yellowley, recently returned from San Francisco, with regard to enforcement conditions on the Pacific coast.

\$600,000 IS ESTIMATED DAMAGE BY FIRE IN PUEBLO, COLO.

PUEBLO, Colo., March 1.—Fire that broke out in the business district here early this morning destroyed the Grand opera house block, including several stores, with an estimated loss of \$600,000. The federal building, housing the post office and other federal offices, was threatened for a time with destruction. Many firemen had narrow escapes from death as the walls and tower of the opera house building toppled. The flames were fought in zero weather and raged for several hours before being controlled.

DEEP MYSTERY SHROUDS FATAL SHOOTING OF WOMAN

SAN ANTONIO, Tex., March 1.—Mrs. Bessie Marschell, 40, was found dead in bed today with a bullet through her head. Her husband, Henry Marschell, park employee, was fast asleep beside her. Mounted officers, who heard the report of a rifle, discovered the body. In the yard of the house they found a 30-30 army rifle with one shell in the clip discharged. Marschell, aroused when the officers entered the bedroom, denied having heard the shot which killed his wife. He was being held for investigation.

ODOR COMING FROM HER BAGGAGE COSTS WOMAN \$100

SAN FRANCISCO, March 1.—Mrs. Elizabeth Stephens Troy of Juneau, Alaska, widely known suffragist and a delegate from Alaska to the democratic national convention in 1920, today paid \$100 fine because of an odor. The odor or aroma arose from a trunk packed with lingerie and other feminine finery. Dry sleuths detected the odor, opened the trunk, found seven bottles of a liquid originating in Scotland and arrested Mrs. Troy for violation of the Volstead act. Mrs. Troy pleaded guilty and Federal Judge Dooling assessed the fine.

STARTS OUT TO KILL 14 MEN; NOW HE IS IN JAIL

CHICAGO, March 1.—Michael Norris, business agent of the Building Material Teamsters' and Chauffeurs' Union, had a gun, 100 cartridges and a list of fourteen men he called his enemies. He started out to shoot the fourteen and then kill himself. Norris is in custody of the police today and three of the fourteen men on his list have bullet wounds. Two of them may die. Police believe that brooding over troubles arising out of labor disputes drove Norris insane. When arrested he had in his possession a "farewell letter" to his wife begging her forgiveness for his suicide.

REPUBLICAN MEMBERS CONSIDER SOLDIER BONUS TAX

WASHINGTON, March 1.—A new tax to meet part of the soldier bonus payment was under consideration today by republican members of the house ways and means committee. The amount, if it falls short of paying, is to be taken from the general treasury. It is understood the president has made concessions and is no longer insisting on his "no sales tax, no bonus" ultimatum, but he is steadfast in opposition to any mention in the legislation of sale of British or other foreign bonds to make bonus payments. A number of suggestions were put before the committee to overcome the difficulties.

\$40,000,000 LOSS TO DATE AS RESULT OF SEAMEN'S STRIKE

HONG KONG, March 1.—The seamen's strike which for seven weeks has crippled commerce through this port, overnight became a general strike involving the servants and guilds of all sorts. The port has been closed and land transportation has been suspended. Losses to date as a result of the strike are estimated at \$40,000,000. War time powers have been conferred upon the government generally to deal with the situation. It was feared here today that the strike will spread to northern ports. Advances from Shanghai said precautions were being taken there, where thousands of strike breakers have been recruited for the purpose of breaking the strike here.

BIG DEMONSTRATION IN HONOR OF PRINCESS MARY

SHIFNAL, Eng., March 1.—Amidst the beautiful hills and dales of Shropshire, Viscount Lascelles and his royal bride, the Princess Mary, began their honeymoon today. They are living quietly at Weston Park, seat of the Earl of Bradford. There was a big demonstration when the newly married couple arrived by train from London. Both the bride and groom were radiantly happy and smiled as they acknowledged the cheers and shouts of welcome. The honeymooners will be completely isolated from the outside world. No visitors will be received at Weston Park nor will the couple be accompanied by any state attendants. The only persons upon the estate in addition to the bride and groom are the servants. Both the viscount and his bride are very fond of outdoor sports and this taste in common enhances their nuptial happiness. They will spend their time in walks, horseback riding, golf, and perhaps an occasional game of tennis. The weather is excellent.

IT'S all over folks, except the shouting. The Princess is now the viscountess and the viscount is now the husband of a princess. Which side won has not been reported by our English correspondents, but it is to be presumed it was a tie after which tea was served.

Yes, the ceremony was very impressive. One writer describes it as an ineffaceable picture. And everybody was there or just as near there as the law allowed. Some seventeen hundred elect actually viewed the wedding. Another seventeen million looked at the parade and some even saw the Ambassador from America, Colonel George. He almost missed being there and he snopped into Westminster Abbey just as the gates swung shut.

Eighty-nine years from when both the Princess and her husband are dead and buried, some enterprising motion picture producer here is going to give us a close-up on the details.

It is not to be doubted, in view of recent historical photoplays, that he will have Lord Lascelles pictured as a typical lounge lizard who rushes over to the battle front in the year 1915 and saves the princess from drowning in the river Marne. The rest of the details will be less correct.

Truth of the matter is that little excitement comes to the most of us. Look for trouble and you're apt to find it, but if you go about peacefully and carefully choose your associates there is little danger.

It is better to have hardly any associates than bad ones. That is the reason a half dozen men are held for investigation today in connection with the Taylor murder mystery. A woman spurned told the story which resulted in their arrest. Maybe one of that number, no worse than the rest, will be charged with the crime.

Yet the evidence given by the woman herself is very weak. I have heard hundreds of people threatening to kill (a bottle of) Old Taylor.

Rays from the California sun on the last day of February cause a fire in an apartment at Venice by the sea.

Hot stuff for the press agent, one might say.

Now the city of Los Angeles is willing to consider Glendale in the matter of sewage disposal, it is said. No comment on this subject is necessary.

Glendale goes before the metropolitan board of public utilities tomorrow for a municipal bus line permit.

"Loaded for bear," says the Mayor.

Wonderful what a lot of workmen Glendale is assimilating these days. Hundreds come here daily. Few of them leave. The building must be better than ever and if you look at February's record it will be found far greater than before.

Secure Free Luncheon Through Booster Work

Two members of the Chamber of Commerce Ten o'Clock club obtained a free luncheon yesterday noon by bringing in two more members. Their names were omitted from yesterday's list, but they are just as much members as the thousand others. They are:

Simmond W. Stern, R. F. D., No. 4, Box 3X, produce and fruit.
William J. Schaeffe, 1859 South San Fernando Road, editor and proprietor of The American Globe.

Glendale Patrol And Fire Dispatch Moves

The Glendale Patrol and Fire Dispatch has moved its offices from 107 South Maryland avenue to 249 North Brand boulevard with the Yale Brothers' real estate office, where larger quarters are provided, according to Ira J. Herbert, principal, in the protection service.

PIANOS

A CONCERT YOU SHOULD HEAR

BRAHM VAN DEN BERG, the distinguished concert pianist whom critics in Europe and America rank well among the greatest of modern pianists, will appear in a recital under the auspices of the Glendale Music Club at the

UNION HIGH SCHOOL
Friday Evening, March 3rd
at 8:15 o'clock

Mr. van den Berg uses exclusively in his concerts and his studio

THE KNABE

Of this instrument he says: "To my mind there is no piano on the market today which can compete in any way, shape, or manner with the Knabe. I am overjoyed with its beautiful tone, remarkable mechanism and fine appearance."

You are cordially invited to inspect the Knabe in both upright and grand models.

Will Hays to Receive Invitation to Glendale

Will Hays, retiring postmaster general, will have a personal invitation to visit "the fastest growing postoffice in the fastest growing city in America," according to Postmaster D. Ripley Jackson.

"Undoubtedly Mr. Hays will come to southern California soon and there is no question in my mind but what he will want to see a first-class office that only yesterday sent in a special order for 600,000 2-cent stamps."

Dr. Hubert Work, the incoming postmaster general, is well acquainted with Glendale's great growth and it is to be expected he will see to it that this city gets a federal building commensurate to the population.

Pasadena Team Beats Intermediate Quintet

Pasadena Military academy's 110-pound basketball team defeated the Glendale Intermediate quintet yesterday in a hard-fought game which went into an extra period. The score stood at 22 tie at the end of regular play and in the additional play the soldierly lads won 26 to 24.

George Barlett, by a change of tactics, made about half of the goals for Glendale while Ed Carver, Bud Copeland, Allen Lovell and Don Whittaker did their best. Quite a few substitute players were rung in by Coach Norman Whytock in order not to overtax his players in the class with their heavier opponents.

Women's Exchange Is Holding Closing Sale

The Women's Exchange, 122 West Broadway, is being closed out.

Miss Mary Havey and Mrs. Joseph Judge of 105 East Chestnut street expect to motor to El Paso, Tex., upon a pleasure trip about the tenth of the month.

Much of the merchandise in stock has been sold, already. A few handmade sweaters and dolls remain. They are being sold at less than half price.

POSTAL SERVICE CRIPPLED

Four carriers and two clerks at the Glendale postoffice are on the sick list today and service is somewhat crippled, it is reported. To facilitate matters one clerk has taken a carrier's job in order to get the mail out to the residential districts.

GUILD TO HOLD MEETING

St. Mark's guild will hold an all day meeting Thursday, commencing at 10 a. m., in the guild hall. Members are asked to bring sandwiches. Coffee will be furnished, it is stated.

Tea in moderation is a useful stimulant; but if drunk to excess it will cause great depression.

Rollin' Pin Moves to Its New Quarters

The Rollin' Pin Bake Shop has moved from 214 to 218 East Broadway and both William Stinson and Stanley Amm feel well pleased with their new quarters which are slightly larger and better ventilated than their former establishment. They are especially pleased with the small skylight over the bakeshop. The cement floor makes it possible to keep the interior absolutely spotless.

MISS CHAPPELL IS BETTER

Marguerite Chappell, daughter of Mr. and Mrs. A. R. Chappell of 338 West Vine street, is convalescing from a light case of diphtheria. The quarantine, which has been placed on their home for the past two weeks, will be lifted within the next few days, according to an announcement made by her physician.

Christian Circle Has Enthusiastic Meeting

Once more the Christian Circle club met with its usual enthusiastic crowd at the Baptist church. Nearly four score members were present to partake of the dinner prepared by the women of the First Methodist church. Miss Nell Leggett presided over the snappy busy session, after which Miss Maud Soper taught the Bible lesson.

MISS CARLSEN IS VISITOR

Miss M. E. Carlsen of Los Angeles was recently in this city visiting with local friends and acquaintances.

Germany is run very economically in the matter of salaries for President and Ministers, the salary of the former being the lowest paid to any head of State in the world.

Meeting of Chapter Postponed by Illness

The meeting of Chapter AH, P. E. O., of which Mrs. C. T. Van Etten is president, and which was to have been held yesterday afternoon, was postponed on account of the illness of a number of the members. The meeting will take place March 7 at the home of Mrs. C. D. Cady, 624 South Central avenue.

MAKES DAILY INSPECTION

J. B. Mariveau, a county horticultural inspector who resides at 626 North Howard street, daily calls at the Glendale postoffice and inspects all shipments of fruit, trees, vines, etc., coming in or going out of the state. Quite a number of people are endeavoring to send citrus fruit east in contravention of rulings on the subject, it is said.

BUSINESS WATCHING GOVERNMENT AT WASHINGTON

Many Organizations Maintained for the Benefit of Manufacturers

By U. S. Press Association.
WASHINGTON, D. C., March 1.—That this is the day of "organization," and that the new method of keeping track of the government is for people with similar business interests to act collectively, is demonstrated by the fact that Washington has become the home of a great many national bodies, the most of which have "moved in" since the war began.

A few of the larger organizations that maintain offices in the capital are: United States Chamber of Commerce, National Industrial Conference board, American Mining conference, Southern Hardwood Traffic association, National Lumber Manufacturers' association, National Association of the Moving Picture industry, American Wholesale Coal association, National Petroleum association, Institute of American Meat packers, United Typothetae of America, National Lame association, National League of Commission Merchants of the United States, Interstate Cotton Seed Crushers' association, National Fertilizer association, American Bar association, National Automobile Chamber of Commerce, National Grange, Association General Contractors of America, National Coal association, American Bankers' association, American Beet Sugar association, National Council of American Cotton Manufacturers, American Hardware Manufacturers' association, American Short Line Railroad association, American Cane Growers' association, National Association of Credit Men, American Farm Bureau federation, American Face Brick association, National Association of Sand and Gravel, Producers' Manufacturing Chemical association, Proprietary Association, Federated American Engineering society, Associated Industries of Massachusetts, Boxboard Manufacturers' association, National Association of Manufacturers, American Drug Manufacturers' association, National Retail Drygoods association, National Dairy association, Southern Wholesale Grocers' association, American Federation of Labor, Associated Advertisers Clubs of the World, National Wholesale Lumber association, National Educational association.

Even this lengthy list represents only a part of the many associations and organizations that are operating in the capital. The inference that these numerous bodies are established in Washington to help shape legislation is only partly correct. As the activities of the government have been extended it seems desirable for many reasons that representatives of the various phases of our civic life should keep closely in touch with the Department of Commerce, the Department of the Interior, the Department of Agriculture; and at the same time keep advised at all times with reference to what the Treasury Federal Reserve Board, Department of Justice, Bureau of Standards, and Congress is doing.

Length of Working Day
In 1903 the United States Geological Survey began the collection of statistics of the established working day at coal mines. In that year 26.5 per cent of the bituminous mine workers were employed at the mines where the standard day was 10 hours; 17.1 per cent were employed at mines where the standard day was 9 hours; 17.1 per cent were employed at 8-hour mines, and the number of 8-hour day workers was 56.4 per cent of the total. The average working day in that year was 8.9 hours. The figures, it will be understood, are not the average number of hours the men labor, but the average hours in the standard working day.

The 8-hour day was generally adopted in bituminous mines in 1918, when 59.6 per cent of the workers were employed in 8-hour mines. Statistics for 1919 showed 95.5 per cent of the mine workers now labor in mines where the 8-hour day is the rule. The number of workers in 10-hour mines in that year was 6,127. Anthracite mines now work an 8-hour day.

Agricultural Exports
The Department of Commerce states that the total volume of exports of the principal agricultural products for the year 1921 amounted to over 20,000,000 tons, compared with 16,500,000 tons in 1920, and 10,500,000 tons in 1923. In fact, we exported the largest total volume of such products of any year in our history. The principal commodity is grain, including grain products, which alone amounted to 16,000,000 tons in 1921 as compared with 12,000,000 and 6,000,000 in 1920 and 1913 respectively. The export of cotton exceeded those of 1920, which is also true of meat products, sugar, oil cake and meal and tobacco. There was a slight decline in the exports of dairy products and vegetable oils. Considering the economic condition in Europe, it may be recorded as rather remarkable that they have been able actually to buy from us twice as much of these principal products as they did in 1913. These purchases have been financed by the European countries without any apparent difficulties.

Renting of Farms
Tenant farmers in the United States "rent land equal to the combined area of Texas, Illinois, Iowa, Arkansas, Michigan, Wisconsin and Florida," Dr. C. L. Stewart, land economist, declares, in analyzing figures issued by the Department of Agriculture showing that farm tenancy is increasing more rapidly than census figures indicate. Tenants, he says, operated 37 per cent of the farm

HAPPY AT LEAVING FOR WEST, SHE WRITES VERSE

Mrs. Charles Wesson's Niece Glad to Quit Snow for 'Land of Sunshine'

Mr. and Mrs. Egbert C. Coon of Keithsburg, Ill., intend to come to Glendale to make their future home. Mrs. Coon is a niece of Mrs. Charles Wesson of 833 Chestnut. So enthusiastic is Mrs. Coon over coming to California that she recently wrote some verse which appeared in the Keithsburg News. Here is what she wrote:

WESTWARD HO!
Hold on to your seat, and don't you sway,
Because, by heck, we're on our way.
No, not so fast, but just about,
For we've sold our house and will soon move out;
The furniture, too, is part of the plan.
Then we'll pack our trunk and call a van.

Buy our tickets, meals and place to sleep,
Leave the curtains up so we can peep.
Give the cats to others to feed,
But take the dog and make some speed.
We're going where the roses grow,
The grass always green, and they don't have snow.

The ocean blue, and the sun-kissed land
Will greet us like a friend's glad hand.
Friends we'll meet, both fat and thin;
"Reel" life in the West will then begin.
Coon will sell pianos and I can sew,
Daughter to school go, sleep and grow.

We'll drive around and enjoy the air;
We've worked hard, so it's no more than fair;
When our friends come out we'll show them 'round,
They'll wish they could stay when homeward bound,
And maybe they'll get in step
And come back to live in the land of pep.

Then after we've been there 'long over a year,
We'll fill up the Ford and bob up again here,
Just to see how everyone is,
Greet all our friends and look after "biz".
Then when we leave, it will be Westward, Ho!

How soon to return, we do not know.
We've longed to go for many reasons
Where flowers grow in every season.
No coal to throw when mercury's low;
No snow to shovel out there, you know.
We feel sure real life will there begin.
Our heartiest wish will be ready for friends to come in.
MAUDE I. COON.

Dr. O. A. Dieterich
Now in New Offices

Dr. O. A. Dieterich, who formerly had his office at 111 East Broadway, has leased the corner suite of offices in the new Ralphs building at 201 West Broadway. His waiting room is artistically furnished in overstuffed tapestry furniture, and his private office has every convenience necessary to the physician.
Dr. Dieterich is, of course, a reader of The Glendale Evening News and, in fact, he recently gave his subscription for one year. He knows, as do many of The Evening News' large family of readers, that it pays financially to take a year's subscription.

Dr. Dieterich is quite proud of his new offices in the Ralphs building and he is extending a welcome to his many friends to call and inspect them.

lands of the country in 1920, representing 42 per cent of the improved acreage and 44 per cent of the total valuation of the improved and unimproved land. Improved land under lease alone equals six times the area of Illinois, he added, and the unimproved land rented is equivalent to more than the entire area of France. "In 1920," said Dr. Stewart, "part-owner tenancy involved \$9,000,000 acres, which, added to the \$265,000,000 acres reported in tenant farms, swells the total of rented land to \$54,000,000 acres, and the valuation from \$24,000,000,000 to about \$28,000,000,000."
"In point of acreage of all land leased," Dr. Stewart continued, "both Delaware and Illinois have long since passed the half-way mark, and in improved land rented the half-way mark has now been passed by Alabama, Georgia, Iowa, Kansas, Mississippi, Oklahoma, South Carolina, South Dakota, Texas and Washington. The highest percentage of tenancy shown by state, on the basis of improved acreage, is 59.8 for Georgia, while the highest on the basis of valuation is 60.3 for Illinois."

GIVE MORE THOUGHT TO RECREATION, IS SPEAKER'S PLEA

Community Service Man Gives Address at Gathering of Local Credit Board

Organized recreation as a measure to develop better citizenship was the subject discussed by H. W. Arbury of Community Service, Inc., at the regular weekly luncheon of the Glendale Credit Men's association Monday noon. "Everything," said Arbury, "is organized but that great potentiality, leisure-time. Very few, comparatively speaking, of the residents of American communities are exercising their rights as citizens in contributing something of themselves to the community for the benefit of the entire group."

"This is not due to a lack of desire on the part of Mr. Average American to function as a real community asset, but rather to lack of opportunities for self-expression. Opportunities are not provided for the reason that it has not, until recent years, been deemed necessary to go to the trouble of organizing leisure-time."

"We are prone to depend upon the few to provide us with passive entertainment and recreation, and to let George do it rather than to get into the game ourselves."

Recognize Obligations
"Through the right conception and proper organization of leisure-time possibilities, we believe that a far greater number of our people will recognize their obligations to the community which protects their lives and property, and render in exchange for these benefits adequate payment through participation in community activities."

"It is my feeling that it is unnecessary for the very few willing shoulders to carry all of the community burdens, both functional and social, and that the efficiency and happiness of American cities may be greatly enhanced if more thought be given to this vital question of providing greater opportunities for wholesome recreation on a community-wide basis," concluded Mr. Arbury. He was heartily applauded by the two score merchants present.

VISIT PASADENA SCHOOLS
Mrs. Annie L. Curtis, principal and Mrs. Irene McReynolds, Miss Nathalie McKay, Mrs. Ella Gray, and Miss Hutchinson, teachers of Cerritos avenue school, spent visiting day in Pasadena, where they visited Franklin, Emerson and John Muir schools of that city. They report a very pleasant day and that they returned with many ideas gained from observation, that may be profitably applied to their own school routine.

HEALING CREAM STOPS CATARRH

Clogged Air Passages Open at Once—Nostrils Cleared

If your nostrils are clogged and your head stuffed because of catarrh, or a cold, get Ely's Cream Balm at any drug store. Apply a little of this pure, antiseptic, germ destroying cream into your nostrils and let it penetrate through every air passage of your head and membranes. Instant relief.

How good it feels. Your head is clear. Your nostrils are open. You breathe freely. No more hawking or snuffling. Head colds and catarrh yield like magic. Don't stay stuffed up, choked up and miserable. Relief is sure.—Advertisement.

BUILDING PERMITS FOR MONTH OF FEBRUARY REACH TOTAL \$421,890

Remarkably Good Showing Is Made As Compared With Other Years; Permits Published Herewith

Building permits for the month of February, which closed with \$421,890 worth of business registered on the little "books of progress" in the city hall, show over twice as much business this year as last, almost three times as much as during February, 1920, and fifty-six times as much as the same month in 1919, which was the poorest building month in many years.

The total for the year is now \$928,755. Records recently compiled by W. J. McIntyre, chief clerk of the building department, show the following statistics for the month of February: 1909, \$10,450; 1910, \$16,700; 1911, \$23,450; 1912, \$37,017; 1913, \$58,500; 1914, \$36,935; 1915, \$91,110; 1916, \$19,115; 1917, \$16,715; 1918, \$12,981; 1919, \$7,600; 1920, \$144,514; 1921, \$197,678; 1922, \$421,890.

WHEN YOUR TELEPHONE SOUNDS LIKE CAT IN EARLY MORNING HOURS

When the receiver is down—Your telephone line registers out of order.

Maybe you didn't know it, but it causes a lot of trouble for the operator because she has to tell people calling you that the number doesn't answer, and then she reports the difficulty to the supervisor.

That starts things. What is known as the "howler" is hooked on the line and your unhooked telephone begins to sound like a cat in the back yard at 2 a. m.

Instead of throwing a shoe at the instrument, it is best to place the receiver where it belongs and resolve not to let it happen again, says Fred Deal, manager of the Glendale office of the Pacific Telephone and Telegraph company.

Piggly Wiggly Store Sets Record Saturday

W. D. Moffett, local manager for the Piggly Wiggly grocery store, 115 S. Brand boulevard, stated Monday to a representative of The Evening News that Saturday's business broke all records in the history of the store, even exceeding the receipts of the opening day which was very successful. Mr. Moffett stated that he thought the success of the store was in the main due to three things—low prices and high quality of Piggly Wiggly merchandise, the convenience of the self-service system, and advertising in The Glendale Evening News, which is used exclusively in Glendale by the Piggly Wiggly corporation.

Although the marriage rate is decreasing, the boy babies born in a recent quarter in Great Britain exceeded the girls by 5,262.

New Shop for Women Is Being Established

Stop and Shop is the name of a new women's ready-to-wear and millinery store now being established at 223 North Brand boulevard by Mr. and Mrs. I. Isles who expect to open soon with a complete line of the latest styles direct from New York. Both Mr. and Mrs. Isles have had extensive experience in this line and feel certain of success in Glendale. Mrs. Isles has been buyer for B. Altman and Company of New York, which she declares is the finest department store in that city, and Mr. Isles has been engaged in the mercantile business for the last twenty years.

"My idea of conducting business is based on concrete principles," declared Mr. Isles. "They are to buy the most and best for the money; sell at a fair price; create a wide distribution; establish ideals that instill confidence and create good will; and give real service."

"I know that the women of Glendale will patronize this new store because any shopping that they do outside of this town they do very reluctantly."

MYSTERY IS NOT SOLVED

The Pacific Assurance company of Los Angeles sent its representative to McGrath & Hunter's garage, 312 South Brand boulevard, Monday, to take charge of the Haynes coupe which was found, bullet ridden, on South Verdugo Road Monday morning. It had been stolen from J. F. Wiley of 704 American avenue, Long Beach. Auto club officials were unable to clear up the mystery concerning its being burned and ditched other than to believe it was the work of bandits.

ENTERTAIN SUNDAY GUESTS

Mr. and Mrs. P. J. Priaulx of 128 West Park avenue had as Sunday guests Mr. Priaulx's mother and sister, Mrs. J. A. Priaulx and Miss Letitia Priaulx, of Pasadena.

Making Money--and Saving It

Making money is usually easier than saving it. A dollar here and a dollar there—and a man's hard-earned cash is gone forever.

But it is not the money you spend but the money you save that makes possible the really worth while things of life. A comfortable home, a college education for the kiddies, a happy, independent old age—all depend upon what you lay away in the days when your earning power is at its height.

Will you have these good things some day? They all can be bought with saved money. A Savings Account at this Bank will help you. Better start it today.

Redecorating Work at T. D. & L. Outlined

Ralph Allan, manager of the local Turner, Dahmhen and Langley playhouse makes the announcement that the T. D. & L. theatre will undergo numerous changes in the very near future. The playhouse has already been recarpeted. New and handsome draperies and hangings of a color scheme effecting the old rose or wine tints will also be part of the refitting plans. Redecorating of the foyer and lobby in soft colors and hues will also be done, and the foyer newly finished in an artistic manner. The master organ chambers, which now occupy considerably more than half the regular stage space will be removed to the organ loft, allowing for greater volume and expression of this exceptional instrument.

Fisher Variety Store Increases Floor Space

Fisher's variety store at 212 East Broadway is one of the busiest places in town this week. All of which is not unusual, but they are doubling the floor space by installing their stockrooms in a building adjoining at the rear. This permits of a greatly increased stock of household goods, notions and novelties. An aluminum sale this Friday should prove a big attraction to shoppers.

Blvd. Improvement Association to Meet

The San Fernando Boulevard Improvement association will meet at W. Griffin's plumbing establishment, 810 South San Fernando road, on Thursday night, at 7:30 o'clock.

Lack of Witnesses, Charge Is Dismissed

C. C. Minter and Ethel G. Minter, who had a continued hearing Tuesday on an alleged attempt to extort money from Mrs. Nellie Atkins of Burbank, were dismissed from custody for lack of witnesses. Deputy District Attorney George E. Glover was present to prosecute the case.

Industrial Building Work Is Under Way

If you want to see some real building activity that goes unnoticed, take a peek around the southeast corner of Broadway and Maryland avenue, back of the business blocks fronting thereon and you will find that Ed. Daniels and H. E. Betz have near completion a mammoth service garage, warehouses and industrial buildings, that cover the dead space to the rear of their property.

Local Men to Attend Session of Paint Club

G. C. McConnell and R. E. Kirkland of the Builders' Hardware & Supply company, 633 East Broadway, expect to attend the session of the Los Angeles Paint, Oil and Varnish club to be held Friday night at the Friday Morning club, 940 South Figueroa street and have expressed a hope that a number of contractors and builders also will be present from Glendale.

Fisher Variety Store Increases Floor Space

Fisher's variety store at 212 East Broadway is one of the busiest places in town this week. All of which is not unusual, but they are doubling the floor space by installing their stockrooms in a building adjoining at the rear. This permits of a greatly increased stock of household goods, notions and novelties. An aluminum sale this Friday should prove a big attraction to shoppers.

Blvd. Improvement Association to Meet

The San Fernando Boulevard Improvement association will meet at W. Griffin's plumbing establishment, 810 South San Fernando road, on Thursday night, at 7:30 o'clock.

Lack of Witnesses, Charge Is Dismissed

C. C. Minter and Ethel G. Minter, who had a continued hearing Tuesday on an alleged attempt to extort money from Mrs. Nellie Atkins of Burbank, were dismissed from custody for lack of witnesses. Deputy District Attorney George E. Glover was present to prosecute the case.

Industrial Building Work Is Under Way

If you want to see some real building activity that goes unnoticed, take a peek around the southeast corner of Broadway and Maryland avenue, back of the business blocks fronting thereon and you will find that Ed. Daniels and H. E. Betz have near completion a mammoth service garage, warehouses and industrial buildings, that cover the dead space to the rear of their property.

High School Debate Team to Be Chosen

Should the Eighteenth Amend-
ment be repealed?
Glendale Union high school will
settle this question early in April
during its next debate, which will be
with Pasadena high school.

Of course, the question isn't put
just that way. The official sub-
ject is: "Resolved that the Initiative
and Referendum should be Extended
to Federal Legislation, Constitu-
tionality Waived."

Try-outs to select the team will be
held this afternoon under the
supervision of Attorney Voltair Per-
kins, debating coach.

Because Glendale has defeated
two of the leading schools in the
league already, Hollywood and Long
Beach, Miss Mona C. Gardner, dra-
matic coach, feels that the debate
team should be the object of much local
interest. She called attention to the
fact that it will be held at home.

Among those who will compete for
the honor of representing Glendale
Union High in the try-outs will be
Miss Kathleen Campbell, Miss Isabel
Touney, Miss Helen Sherwood, Victor
Colburn, Paul Hutchinson, George
Jordon, and Robert Fry.

Dale Wood is not eligible for a
place on the team because he has
participated in two debates this year.

Income Tax Returns Must Be Filed If—

An income tax return must be
filed by every citizen of the United
States whether residing at home or
abroad, and every person residing
in the United States, though not a
citizen thereof, whose gross income
for the taxable period 1921 amounted
to \$5000 or whose net income
amounted to:

(a) \$1000 if single or if married
and not living with husband or wife.
(b) \$2000 if married and living
with husband or wife.

If the combined net income of hus-
band, wife, and dependent minor
children equalled or exceeded \$2000,
or if the combined gross income of
husband, wife and dependent minor
children equalled or exceeded \$5000,
all such income must be reported on a
joint return, or on separate returns
of husband and wife.

If single and the net income, in-
cluding that of dependent minors, if
any, equalled or exceeded \$1000, or
if the gross income equalled or ex-
ceeded \$5000 a return must be filed.
A minor, however, paying a net in-
come of \$1000 or \$2000, according
to the marital status, or a gross in-
come of \$5000 must file a return.

Under each of the above condi-
tions a return must be filed even
though no tax is due.

Do not take credits for personal
exemption or dependents into con-
sideration when figuring net income.
It is the advice of Sid Masters of Mas-
ters & Egan, income tax specialists,
with Attorney S. H. King, 106-A
East Broadway.

Masters & Egan are accommodat-
ing the public by personally deliv-
ering the income tax returns to the
proper authorities.

STANFORD STRIVING TO SCALP BEARS UPON GRIDIRON

Radical Changes Are Made in
Coaching Staff to Further
Plans of Cardinals

By HOWARD M'GILLIS
Sporting Editor The Evening News
Of the many Pacific coast colleges
and universities whose athletic atten-
tions are being directed toward over-
coming the "reign of the California
Bear" in western gridiron activities,
probably none other is more promi-
nent than Stanford university, whose
teams have battled the Bruins for
more than twenty years.

During the past few seasons Andy
Smith's "Golden Tornado" has so
humiliated its ancient Palo Alto riv-
als that it is literally "getting on
the nerves" of the Cardinal athletic
authorities, and, as a result, every
effort is being made to place a win-
ning combination in the field in the
near future.

Radical changes in the coaching
staff is the most important step that
has been taken to date, practically
every football mentor and assistant
of last year's squad having been re-
placed since the close of the season.
Both Athletic Director Walter Powell
and Head Coach Gene Van Gent have
tendered their resignations to the au-
thorities and have signed up with
other institutions for the coming sea-
son.

Real Football Director
In Glenn Warner the athletic "pow-
ers that be" of Stanford obtain the
services of one of the real football
aces of modern American intercol-
legiate gridiron history. Although
he will not be actively "on the job"
until the fall of 1924 his position as
advisory coach, which he will hold
until that time, will greatly aid him
in getting the Cardinal tankard ar-
tists acquainted with the famous
"Warner system" before taking ac-
tive charge of them. His three-year
contract begins in 1924.

Andrew (Andy) Kerr, last year's
freshman coach at Pittsburg and who
has been associated with Warner for
a number of years, will take charge
of the Palo Altoans during the 1922
and 1923 seasons. He will be as-
sisted by C. E. "Tiny" Thornhill, re-
tiring line coach of the phenomenal
Centre college eleven.

Evers to Aid Gleason
Johnny Evers, last year's manager
of the Chicago Cubs, has been signed
by the White Sox as assistant to Man-
ager Gleason for the 1922 season.
Evers, who is rapidly becoming one
of the oldest major leaguers in the
country in point of service, held a
similar position under John McGraw
of the New York Giants.

Three Stars Holdouts?
According to the latest reports
emanating from the headquarters of
the Los Angeles baseball club, Man-
ager Wade Killefer is due for an un-
usual amount of worrying over the
report that three of last year's stars,
Sam Crawford, Art Griggs and
"Flea" McAuley, have joined the an-
nual crop of early spring holdouts.
These three sterling diamond pas-
timers, who have a lot to do with
bringing the Pacific Coast league
pennant to Los Angeles last season,
have not yet been convinced by the
Wrigley interests that their 1922
pay checks should be smaller than
those of 1921.

'Lefty' Herman Leaves to Join Detroit Club

Floyd "Lefty" Herman, well
known local baseball star and for-
mer Glendale high school all-around
athlete, left this city Monday for
Macon, Georgia, where he will soon
join the training camp of the Detroit
American league club. Although no
announcement has been officially
made, it is likely that Herman will
be "farmed out" to some minor league
team during the coming season, in
order to obtain sufficient experience
to warrant a regular berth with the
Tigers next year.

Herman began his professional
baseball career last spring when he
discontinued his course at the local
high school to join the Edmonton
team of the Western Canadian
league. His record in the northwest
soon became known to big league
scouts and he was sold to the De-
troit club. Heavy hitting is his
specialty.

Herman, who has not yet reached
the voting age, is the son of Mr. and
Mrs. C. F. Herman of 441 West Har-
vard street.

Newlyweds on Visit in State of Texas

Word has been received by local
friends of Mr. and Mrs. R. F. Kolts,
who were married in Los Angeles
recently, to the effect that the couple
have reached Houston, Texas, where
they will spend several months vis-
iting at the home of the bride's par-
ents, Rev. and Mrs. E. H. Willisford.
They expect to return to southern
California to make their permanent
home here next summer.

Both Mr. and Mrs. Kolts are well
known in this city, having lived here
for several years. Mrs. Kolts was
formerly Miss Carol Willisford.

INSPECT LOCAL PROPERTY

Mr. and Mrs. Reginald W. Puttick
of Southampton, England, were in
Glendale during the past week end
looking over property with the inten-
tion of locating here in the near
future. Mr. and Mrs. Puttick are
now living in Los Angeles, where Mr.
Puttick is attending the College of
Osteopathic Physicians and Sur-
geons.

NEW CONTRACT FOR TAKING GARBAGE NOW SIGNED

Los Angeles Concern Agrees
To Do Collecting; Saving
To City Is Claimed

About \$700 a month will be added
to the city treasury, or rather the
city treasury will be relieved of the
necessity of making up a monthly
municipal deficit of this amount, ac-
cording to City Manager W. H.
Reeves, who has called attention to
the new contract for the collection
and disposal of garbage made Mon-
day night by the city council.

As far as Mr. Reeves has been able
to ascertain after careful checking
up the matter with City Controller
H. A. Harrison, the expense for the
collection of the garbage under
municipal management has averaged
between \$1400 and \$1500 a month.
The new contract provides for a pay-
ment by the city to the contracting
firm of \$700 a month. About \$600
in fees are received by the city. The
new arrangement will enable the city
to almost pay the expenses involved.

The City Rubbish company of Los
Angeles, which has secured the new
contract, already has similar con-
tracts with various nearby municipali-
ties. It has been in business for a
number of years. To "guarantee
faithful performance of duty" this
company is filing a bond of \$3000.

Under the new contract, this com-
pany will buy the garbage trucks
from the city at their appraised
value and collect garbage from every
dwelling at least twice each week
and from each business house every
day except Sunday. City Manager
Reeves is to have supervision of the
fulfillment of the contract and pre-
scribe routes and days of collection.

Mr. Reeves stated this morning
that City Attorney Bert Woodard
probably would begin suit for
damages against Martin & Lord for
failure to carry out the garbage con-
tract recently awarded them by the
city.

Visit at School Where New System Is Tried

Mrs. Mary Ogden Ryan, principal
of Broadway school, accompanied by
two of her staff, Mrs. P. E. Wilkin-
son and Miss Jennie Matthews, spent
a most interesting day while "vis-
iting" schools Monday, in Los Angeles.
They visited the experimental school
at 49th street, where the new
methods are tried out, by a staff of
the best teachers in the city. They
also visited the Sixth avenue school,
which had been called to their at-
tention as being the "last word in
schools." This is entirely new, for a
new district, and not quite com-
pleted, but already in use as the
schools had outgrown the bungalows
where the sessions were formerly
held. It is very compactly built,
with every inch of space utilized for
practical purposes. The beautiful
auditorium is the kindergarten room,
and the rooms that would be conven-
ient dressing rooms, at each side of
the stage, are utilized for a boys' re-
sitory room, and girls' cooking class.
In both schools they found they were
conducting half day sessions, and
many teachers were absent, owing to
illness.

Francis E. Wilkinson of 1140
Stanley avenue, who accompanied
this party, and was deeply
interested in much of the detail
work of the general arrangement of
the new building, will have a number
of interesting things to tell about
"visiting day," as it gave him a
splendid opportunity for observation
of the different buildings. Mr. Wil-
kinson has been appointed chairman
of the citizens' committee of five,
who are co-operating with the school
board during the period that the new
city school is in process of con-
struction. Other members of this
committee are Oliver O. Clark, Capt.
W. C. Wattles, E. H. Learned. The
fifth member is yet to be appointed.

Psenner-Doll Electric Company in New Home

The Psenner-Doll Auto Electric
company, which was formerly located
at 610 East Broadway, is now open
for business in its new garage and
service station at 601 South Brand
boulevard.

This establishment will maintain
one of the most complete shop equip-
ments in the city, according to Ran-
dolph P. Doll, who stated this morn-
ing that it might be two weeks longer
until all the apparatus had been in-
stalled satisfactorily.

"We expect to get a good deal of
business along Brand boulevard,"
stated Mr. Doll. "It is the main ar-
tery of the city. Our place is very
accessible. There is a large entrance
on Brand and an exit on Chestnut
street."

Besides being local agents for the
Philadelphia Diamond Grid Battery,
this firm will "serve" Union gas and
numerous brands of lubricating oils.

What Time Is It? Look at News Clock

Once again we have the time on
tap on top of The Glendale Evening
News building.

The Glendale Plumbing company
has constructed a waterproof case in
accordance with Western Union spec-
ifications and the latter agrees that it
will provide a naval observatory
chronometric information for the public.

While the clock has been under
repairs, the Chamber of Commerce,
the Elite Sweet Shop, the Glendale
Theatre, Cook's Cafe and Confection-
ery, the R. L. Kent Company and
dozens of other places have made in-
quiries as to its replacement.

show.

The Hjorth Construction company
of 224 South Brand boulevard has
started work on a new five room
modern bungalow at 704 North
Isabel street for George R. Seely of
329 East Chestnut street.

Ground has been broken and con-
struction will soon begin on duplex
flat dwelling on the lot at the south-
east corner of Glendale avenue and
Raleigh street for G. H. Scott of 607
East Chestnut street.

Mr. and Mrs. William Button and
daughter Rosemary of Long Beach,
formerly of Glendale, visited friends
in this city yesterday. They are
spending the week with Mr. and Mrs.
J. H. Taylor at Eagle Rock.

Mr. and Mrs. G. G. Neil, who have
rented their home at 360 West Colo-
rado street and expect to move to
Los Angeles for several months, are
house guests of Mr. and Mrs. R. E.
Downing of 206 West Hawthorne
street.

Mr. and Mrs. D. W. Hepburn of
635 North Howard street entertained
at cards Saturday evening. Their
guests included Mr. and Mrs. J. W.
McCoy, Mr. and Mrs. P. C. Brown,
Mr. and Mrs. E. D. Hamlin, Miss
Jessie Bonton and Arthur Hoeflicker.

Mrs. Ella Richardson of 317 North
Brand boulevard has received word
from her son, Paul Richardson, that
the boat on which he has been sta-
tioned, and which for the past three
months has been on a cruise to the
Bermuda Islands, has docked at New
Orleans.

Mrs. Henry Johnston of 111 North
Everett street will have as her din-
ner guests tonight Mrs. Mary Sharp
and Mrs. Brockman, both of Port-
land, Oreg., and who are spending
the winter in Pasadena, and Mrs. E.
U. Emery and Miss Waunita Emery
of Glendale.

Mr. and Mrs. L. L. Smith have
sold their home at 1051 Justin ave-
nue to Dr. Creigler of Long Beach
and moved today to 416 North Isabel
street, where they will be temporarily
lodged until their store and apart-
ments are completed at 112 North
Isabel street.

Mr. and Mrs. H. A. Wilson of 125
North Louise street entertained as
their dinner guests Monday night
Mrs. Harold Latter of Oakland, Dr.
and Mrs. Ralph Lusby of San Fer-
nando, Mr. and Mrs. C. D. Lusby, Dr.
and Mrs. C. R. Lusby and son Don-
ald, and Vern Wilson.

Mrs. William J. Heger of Fullerton
was the overnight guest Monday
at the home of Mr. and Mrs. E. A.
Bode of 138 North Orange street.
Mrs. Bode's daughter, Mrs. Roy
Flint and baby daughter, accom-
panied Mrs. Heger to her ranch home
at Fullerton, where she will spend
several days.

Mrs. C. H. Challis of 335 North
Columbus avenue was luncheon host-
ess today to the members of the Pi-
oneer club. The invited guests in-
cluded Mrs. Mary Griggs, Mrs. J. W.
Andree, Mrs. C. M. Van Dyke, Mrs.
H. Whitaker, Mrs. Shepherd, Mrs.
Pierre Potter, Mrs. Vinton of Holly-
wood and Mrs. B. L. Nelson of Los
Angeles.

Mrs. Harold Latter left last night
on the Owl for her home in Oakland,
after having spent the past two
weeks visiting her parents, Mr. and
Mrs. C. D. Lusby of 224 North
Louise street. Mrs. C. D. Lusby en-
tertained with a dinner party in her
honor Saturday night. The guests
included Mr. and Mrs. R. A. Salis-
bury, Miss Maude Salisbury and Mr.
and Mrs. Frank Parsons.

Locals and Personals

Thomas Wood of 457 Myrtle street
left Monday morning for a week's
business trip to Bakersfield and vi-
cinity.

Jack Lundregan left early Tuesday
morning for Ventura, where he is as-
sociated with a company that is drill-
ing in an entirely new district of the
oil section.

Miss Verna Andrews, who was re-
cently called to Seattle on account
of the death of her mother, is now
back at her duties in the Interme-
diate school.

Miss Clara Midcalf, assistant prin-
cipal of the Intermediate school, is
still critically ill at her home, 111
North Orange street, according to
this morning's report.

Miss Vera Andrews of the Inter-
mediate school has returned from
Seattle, Wash., where she went to at-
tend the funeral of her mother. Mrs.
Andrews was a victim of the "flu."

Miss Jessie Bonton of Los Angeles
spent Saturday and Sunday with the
families of E. D. Hamlin of 637
North Maryland avenue and D. W.
Hepburn of 635 North Howard street.

Mrs. H. C. Levey of 811 South
Glendale avenue is confined to her
bed with a threatened attack of ap-
pendicitis. A trained nurse is in at-
tendance of her and daughter,
Dorothy, who also is ill.

Warns Against Navy Below Treaty Schedule

By J. BART CAMPBELL

Written for International News Service

WASHINGTON, D. C., March 1.—

"We should trust in ourselves and

keep our powder dry," declared Sen-
ator Miles Poindexter, of Washing-
ton, ranking Republican member of
the senate naval affairs committee,
in warning today of the naval arma-
ment limitation treaty.

Poindexter, who is slated to suc-
ceed to the chairmanship of the sen-
ate naval affairs committee, charged
that "pacifism" in the guise of "false
economy" is threatening to reduce
the American navy to a "negligible
position."

"The objection made to the naval
treaty is that it prohibits the erec-
tion of fortifications on certain Pa-
cific islands," Poindexter said. "This
gives rise to the question as to
whether or not, if we had no treaty,
we would or could erect fortifications
on those Pacific islands which we
possess."

"We have not done so, notwith-
standing that there has been no
treaty or other obstacle to stop us
during the long years since the Span-
ish war. I have made numerous ef-
forts to secure appropriations for a
naval base at Guam, but I have never
been able to secure the requisite
backing of congress to bring this
about. It is not at all likely, even if
the opponents of the naval treaty
should succeed in defeating it—
which, of course, is not probable—
that we should be able to accomplish
any more than we have in the past
in securing money for fortifications
for our Pacific possessions."

"With the limitations the treaty
places upon us, our responsibility
becomes all the greater to maintain a
navy equal to that of any other
power in the world—in the propor-
tion of five to three to Japan. It is
quite evident that we are going to
have a struggle to do this as the
same group of pacifists who, notwith-
standing the example of Russia,
China and Armenia.

What Will Tomorrow's Daughters of Eve Be? Sappho Type, Asserts Author; Modern Woman Is Seen in a Stage of Transition

Miss Margaret Widdemer

By MARGERY REX

Written for International News Service

NEW YORK—What will tomor-
row's daughter be?

The romantic woman has gone.
Who will take her place?

Woman today is in a state of tran-
sition. Appraisals are apt not to in-
clude perfect understanding of her.
She is a specimen who moves too fast
for scrutiny.

By tomorrow she will be molded
into a mid-twentieth century type
which may reveal the best traits of
this moment with choice attributes
from her past history.

But must we go back to ancient
Greece to find a model for tomor-
row? Mrs. Margaret Cukin Banning,
a gifted novelist from our own
northwest, has come from Duluth to
tell us her views on woman's future.
She says that our next kind of woman
will be:

"Combination of Charm"

"A combination of the charm of
the romantic type with the mind we
have now."

"A woman without today's sharp-
ness and nervousness, with a mind
inclusive but not aggressive. I should
like to pick out of the past a femi-
nine figure of the sort."

"Sappho, the sweet singer of
Greece, I believe, was that type."

In discussing her own sex, Mrs.
Banning does not neglect to make
the most of the opposite one as a
basis of comparison, since man is
always affected by woman's revolt.

"Women will go on making great
progress," she predicts. "But they
will continue to leave many mutil-
ated men in their homes."

"Is there one of us who has sus-
pected that her own self-sufficiency
has left somewhere in its wake a be-
wildered helpless man?"

"As a Man Thinketh"

But as a man thinketh in his own
heart, so is he among his women-
kind. This is the opinion of Miss
Margaret Widdemer, well-known poet
and novelist, who has agreed to turn
prophet for us in order to describe
the woman of tomorrow.

Not a feminist in so far as she
knows, Miss Widdemer says she pre-
fers to be a "humanist."

"Of course the governing are al-
ways alarmed when the governed

are not nearly so important as what he
thinks about her."

"Superiority in morals and right-
mindedness is not the exclusive prop-
erty of either sex, nor will it ever be."

Man's opinion may not mean so
much in the future, according to
Mrs. Banning, who states that, "we
will go through this phase of inter-
est in ourselves and then swing back
to interest in men. But it will never
be the interest we felt before."

"All Men Bewildered"

"All men are bewildered at pres-
ent; all holding their heads. We
women believe in the modern man,
but a good many of us have come up
against the unconstructed ones."

CHEAPER THAN TO BUILD

How foolish to buy a lot and build when you can get this wonderful 6 room bungalow on the most exclusive and beautiful street in Glendale amid magnificent homes for \$6650. I challenge any builder to duplicate it for \$8,000 and it's on a \$3,000 lot. Can you beat it. No, not in all Glendale, and you would not get the chance but for the fact that the owner must raise some money at once. A. A. Carver, Agent, 121 West Maple Street.

New 5 room modern house and garage, \$4700, \$1000 down balance \$40 mo. DUTTON the Home Fynder, Glendale and Colorado.

SOON TO HAVE GAS MAINS

While no regular meeting of the Sierra Avenue Improvement association was held last night, the executive committee went into session and prepared to proceed with obtaining signatures of property owners guaranteeing the installation of gas mains. "We expect to have gas in our homes here within the next thirty days if possible," W. E. Pelley, president of the association, stated this morning.

A Wrong Impression

Almost every day we are confronted with the erroneous impression existing in the mind of someone concerning the charges for Mortuary Service at the Jewel City Undertaking Company's Funeral Home. Very adroitly and convincingly has someone, with an axe to grind, spread broadcast the untrue statement that because we have an unusually beautiful and well arranged, immaculately clean and tastily furnished and decorated mortuary, as well as very luxurious and expensive auto equipment, that a large fee is charged. Substantiated by hundreds of families, whom we have had the privilege of serving, we most emphatically state that our charges have always been and are at present lower than usually charged by other concerns for an ordinary service.

Egg-citement Reigns At Postoffice; Fowl Plot Against Peace

Little Bo Peep, she lost her sheep.
But E. T. Holmes, clerk in charge at the postoffice at night, almost lost his goat.
Nine crates of peepers—baby chicks—with a special delivery tag for Tujung parties arrived in last night's consignment of mail.
"What will we do with them?" he plaintively asked D. Ripley Jackson, postmaster, who he roused on the telephone.
"Keep 'em warm," was the reply.
"That isn't the idea," said Holmes. "How can we keep them peaceful? They're peeping all over the office."
"Fix an improvised hover—I guess that's what you'd call it," quoth the captain. "We'll send them out first thing in the morning."
And that job was attended to. The special messenger who motored to Tujung got 72 cents for the trip.
"Cheep, cheep," chirped the chicks.

Glendale Track Team Beaten by Occidental

Glendale high school's 1922 track team, under the leadership of Head Coach Normal C. Hayhurst, was seen in action yesterday afternoon for the first time this year when the Red and Black cinder artists received a most unmerciful lacing at the hands of the Occidental college freshman aggregation. The meet, which was staged at Patterson Field, Eagle Rock, was conducted as a practice affair for both squads and resulted in the Peagreens taking the long end of an 89 to 19 score. Several hundred students from both institutions made up the rooting sections.

Of the various members of the Glendale squad those who gave promise of becoming stars of the first magnitude before the end of the present season were Kelsey, Stofft and Sullivan, each of whom managed to cop a second place from the college athletes. Their special events were the 220-yard low hurdles, the half mile run and the 440-yard dash, respectively. Although he failed to place in his event "Shorty" Dowell, a new student at the local school, provided the biggest surprise of the day when he was barely nosed out of third place in the broad jump. Weighing less than 125 pounds he hurtled his body over a distance of 19 feet 6 inches, which mark was but a few inches behind that of Oxy's third place winner.

Superior were the "Tiger Cubs" to the younger high school tracksters that the latter did not take a single first place. Of the nineteen honors made by Hayhurst's charges fifteen were for second places and four for finishing third. Following is a list of the events in which local athletes finished "in the money" and the names of the point winners:
Half mile run—Stofft, second; Bruck, third.
440-yard dash—Sullivan, second.
Shot put—Dutcher, third.
Pole vault—Lercher, tied for second.
220-yard low hurdles—Kelsey, second.
220-yard dash—McKee, third.
Discus—Taylor, third.
Relay—Glendale, second.

Business Women In Club Social Session

A jolly social and get-acquainted meeting of the members of the Business and Professional Women's club was held last night in the club rooms, and was in charge of Dr. Laura Brown, chairman of the hospitality committee. One of the features of the evening was the reading of an interesting book on astrology, different members reading various chapters.
At the close of the meeting an old-fashioned pop corn feed was enjoyed. Mrs. Margaret Biggs, president of the club, announced the entertainments to be given March 10, March 24 and April 7, for the benefit of the rest room fund. The first entertainment will be a lecture by Christabel Pankhurst, the English suffragette, who will talk on "Ideals of Women, False and True."

Pennsylvania Society Plans Dinner, Social

The Pennsylvania Society is planning to hold a social Saturday night, March 4, at the new Odd Fellows hall at Orange and Broadway. A picnic dinner will be served at 7 o'clock. All present or former residents of Pennsylvania who are now in Glendale or vicinity have been invited to attend. The refreshments committee have requested those attending to bring sandwiches and another article of food. Coffee will be provided by the committee. Dr. Francis M. Collier of Glendale is president of the society.

W. B. Neigh Starts On Three Room Residence

Mr. and Mrs. W. B. Neigh, who have been visiting at the home of their son-in-law and daughter, Mr. and Mrs. E. A. Lange of 328 West Vine street, for the past few months, have started the erection of a three room residence on the lot adjoining that of Mr. and Mrs. Lange. Although they had only intended to spend the winter season in Glendale Mr. and Mrs. Neigh became so infatuated with the city that they decided to make their permanent home here. Their former home was in Cleveland, Ohio.

AMERICA'S COMEDY KING PREVIEW AT GLENDALE

George Arliss and All Star Cast
Presents "Disraeli" as Serious Feature on Program

America's comedy king—and everybody knows who he is—will preview his latest feature in about five reels, just as it comes from the cutting room. As usual, the Glendale Theatre is selected for this presentation and members of the producing company will be in the audience.
George Arliss, in the United Artists' release of "Disraeli," is the other banner attraction at the Glendale Theatre, commencing today.
This is the picture upon which this distinguished star of the legitimate stage has lavished so much of his personal care and attention, and those who retain memories of the great stage production of Louis N. Parker's play will expect some great things with Henry Kolker directing.

Star Supporting Cast
In the company supporting Mr. Arliss in this exceptional production are: Mrs. George Arliss as "Lady Beaconsfield"; Louise Huff, as "Clarissa"; Margaret Dale as "Mrs. Noel Travers"; Reginald Denny as "Charles, Viscount Deeford"; E. J. Ratcliffe as "Sir Michael Probert"; Frank Losee as "Hugh Meyers"; Henry Carvill as "The Duke of Glasbury"; Grace Griswold as "The Duchess of Glastonbury"; Noel Tearle as "Follamb."
"Disraeli" is not an historical play in any sense. The author has given us a charming view of the life and times of Mr. Disraeli, but the story of the play is very fanciful, and designed to show something of the prejudice of English aristocracy against the distinguished Jew, who, on two occasions, was appointed by Queen Victoria to be her prime minister.

Columbus Knights Give Big Program at L. A.

Last night Glendale Knights of Columbus boosters appeared at Columbus auditorium, Los Angeles, and before a brilliant and big audience put over one of the best entertainments ever given before Los Angeles Knights of Columbus. Mayor Spencer Robinson, in his inimitable way, "sang" the praises and beauties of the "Fastest growing city in America;" Harry Girard and his wife rendered several numbers in their usual fine form; Mr. and Mrs. La Bonte added to the enjoyment of the evening by giving several beautiful selections; Frank Egan delivered recitations which took down the house; Charles Evans was the sensation to the evening with his wonderful dancing and comedy hits. Grand Knight Brink delivered oratorical pyrotechnics of the wonderful evening of enjoyment supplied by the "Glendale Boosters." M. J. Brennan was master of ceremonies and was equal to the occasion. Glendale Knights and committee in charge are to be congratulated on their successful efforts in boosting Glendale.

Mae Murray Is Star In Gorgeous Picture

"Peacock Alley," starring beautiful Mae Murray, now playing at the T. D. & L. theatre is the screen's most gorgeous spectacle. A broad statement but nevertheless true, the management declares. As Ralph Allan puts it:
"You have not seen the all-alluring—the dazzling—the chic—the greatest beauty—the flaming, gorgeous spectacle of all the screen's most bewitching colors, costuming and finery—until you have seen 'Peacock Alley'—the picture magnificent."
"Peacock Alley" is a good picture, a very good picture—in fact one of the most delightful of the season, and all other pictures of seeming likeness or character become inconsequential in comparison. The run lasts only today and tomorrow, so remember if you miss "Peacock Alley" you will miss another great show.
A packed house at the T. D. & L. greeted the initial performance last night and all who saw it are "raving" about it. The special musical score arranged by George Olsene is of especial interest, being exceptional in variety, selection and treatment.

Offer Special Bargain In Bungalow Furniture

Furniture for a three-room bungalow for \$147.50 is the special bargain being offered at 118 West Broadway by the Trice Furniture company. It consists of a set of furniture for parlor, dining room and breakfast room. An oblong library table, two rockers, a parlor bench, a round dining room table and four dining room chairs, all in William and Mary style of oak with brown Jacobean finish are among the pieces. The breakfast set consists of a table of oak stained green, accompanied by four chairs with rattan stained to match the table. There is also a table lamp with pink silk shade and a pair of Oriental book ends.

W. F. Trice says these sets have been selling well and that he has received a number of inquiries as to how he could afford to sell them so cheaply. He says, however, that he is not really selling them as \$147.50 is just about the wholesale price. He believes this bargain is a good boost for his business.

Lenten Season Being Observed by Catholics

Ash-Wednesday is being observed today at the Holy Family Catholic church with masses at 7:30 a. m. and services at 4 and 7:30 p. m. by Rev. Father James S. O'Neill.

Bishop Cantwell has issued Lenten regulations for Catholics, including the following:
"All days of Lent except Sundays are fast days of obligation. Fasters are permitted one full meal daily, except Sundays, when there is no restriction imposed. Fish and meat may be eaten at the same meal. The principal meal may be partaken of either at noon or in the evening.
"All exempt from the precept of fasting are not thereby exempt from abstinence on such days as abstinence is commanded.
"The use of flesh meats is permitted at all meals on Sundays and once a day, at the principal meal, on all other days except Wednesdays and Fridays, Saturday of Ember week and Holy Saturday.
"The use of butter, eggs, cheese and milk is permitted every day, and lard may be used in the preparation of all foods."
